

Baritones/Euphoniums – Please play both excerpts for your audition. Immediately following the excerpts (on the same video file), please play the chromatic scale from low Bb to high Bb. At the end of the chromatic scale, please sustain the low Bb for 8 counts so that we can hear your tone quality in the low register. On excerpt #2 you may select to play the upper note if you are interested in auditioning for a 1<sup>st</sup> part, but if that is uncomfortable for you, you may play the lower note when it divides into two different notes.
